As soon as the judging results are returned, the winning students will be notified by telephone or letter. They will be presented with their check at the summer family outing in August or by mail if they can not attend the outing.

Craft Fair 2016

This year our Craft Fair will be held on Saturday, October 8, 2016. The email announcing the craft fair was sent out in March. So far we have had crafters send us their reservations for 9 tables at this point.

In order to make this event as successful as last year's, help will again be needed in several areas including table setups on Friday afternoon, assisting at the kitchen setup, cooking and most importantly, cleanup at the conclusion of the fair on Saturday afternoon. Both the setup and cleanup simply can not be done by 2 or 3 people. We will need at least 6 men to help do this work so please consider helping out for one or more of the jobs.

Also, we will need to plan any additional side events such as a raffle, etc which should be discussed at our upcoming council meeting. Please come to the meeting and let us know what you think.

Mothers Day Flowers

As our council has done in past years, we will be distributing flowers at all Mother's Day weekend Masses on May 7th and 8th.

We would like to have 2 or 3 volunteers to distribute the flowers in the gathering area after each Mass at the 4 PM, 7:30, 9:30 and 11:30 AM Masses.

If you wish to volunteer please let us know at tomorrow evenings meeting or call Bob Guyre at 490-4306 or Dave Kling at 434-9243.

Please let us know ASAP as May is rapidly approaching. We would like to have the all of our volunteers identified by Sunday, May 1st.

Please keep in mind that your help will be only needed for a very short period (~15-20 minutes) immediately following each Mass.

The donations from the distribution of flowers will be given to **Birthright of Derry**.

"Grand Night"

The Grand Night II was held on Saturday, April 9th with limited success due to less than anticipated ticket sales. We did have many return positive comments from the attendees. The limited profits from this event will be used to assist in upgrades to the lighting system inside the church.

Fisher Cats Game

Council 7572 will be hosting a "Night with the Fisher Cats in May. More information will be given at the council meeting and a special email will go out to all council members as soon as we know the date.
